Humane Society of Wilkes
SNAP
(Spay/Neuter Assistance Program)

The HSOW is very pleased to offer our revised spay/neuter assistance program! In collaboration with our local vets, we are now able to offer a reduced cost for spay/neuter without your pet having to leave the County!

The huge over-population of cats and dogs here in Wilkes County is causing an average of 101 adoptable animals a week to be destroyed! You CAN make a difference!

Please call 336-984-0227 if you have any questions!

Please read the following requirements:

Pre-registration: Wilkes County Public Library every Tuesday evening from 6:00pm until 7:00pm.

Proof of Income: Current Check Stub, Prior Year Tax Return, or Proof of Government Program that meet the income requirements.

Proof of Rabies : If pet is not current, the vaccination must be given.

Payment for services is due at registration. You will then be able to contact a participating Vet of your choice to schedule the surgery.

(Animal Hospital of Wilkes, Elkin Veterinary Hospital, Riverview Animal Hospital, Wilkes Veterinary Hospital)
